CSI Nihilent e-Governance Award of Excellence

On 2nd December 2012, the Passport Seva Project was awarded the "**Award of Excellence**" in the Project Category, by the **Computer Society of India (CSI).** The award clearly recognized that enhanced usage of ICT as envisioned in the Passport Seva Project has brought about transformation in the functioning of the Passport Offices and delivery of public service to citizens. The project was recognized as the most significant e-Governance initiative undertaken by the Government of India during 2011-12.
