Police Districts of Solapur City and Kolhapur have fully implemented the District Police Headquarter (DPHQ) online Model for Passport Police Verification. This will help to reduce at least 7-10 days time in the passport police verification process and help the Passport applicants of these two districts. Efforts are being made to implement this model in Ahmednagar, Solapur Rural and Sangli Police Districts soon. Pune City, Pune Rural and Satara Police Districts are already implementing DPHQ Model.
